

Dear Parents,

I hope the children are enjoying the snow and there are lots of snowmen, snow angels and other creative creatures being built in the gardens.

Please find attached some work that the children could be doing during the day.

### English Task

The children to write an account of the days adventure as a diary (Wednesday and Thursday). This could be written by hand or on the computer with captions, photographs and illustrations.

Wednesday 28<sup>th</sup> February

Today has been fabulous....

### Maths Task

The children were going to start their new topic today on money. We were going to look at different coins and their value and then use them to make different amounts. Could you please empty your purses and get your child to make different amounts using coins? After practising for a while they can have a go at the attached sheet.

If you want a challenge you could later have a go at this investigation.

#### Challenge

If we only have 5p and 2p coins how many different amounts can you make?

# Money

I can make different amounts using coins

Task: Make the amount using coins and then find another way of making the same amount.

Amount	1 Coins used	2 Coins used
10p		
14p		
23p		
35p		
41p		
55p		
70p		
£1		

## Challenge

If you only had 2p and 5p coins which amounts could you make?

Amount	Show the coins required	Amount	
1p	no	16p	
2p	2p	17p	
3p	no	18p	
4p		19p	
5p		20p	
6p		21p	
7p		22p	
8p	$2p+2p+2p=2p$	23p	
9p		24p	
10p		25p	
11p		26p	
12p		27p	
13p		28p	
14p		29p	
15p		30p
