

Snow Day Thursday English activity

Task 1: Choose one image and describe the setting.

Remember a great description of a setting includes adjectival phrases, alliteration, metaphors, personification and similes. Try to include as many as you can in your fantasy setting description. *But most importantly remember that your description must make sense and be punctuated correctly otherwise your reader will not continue reading.*

Task 2: Identify a character which would be likely found in the setting. For example a beast would likely be found in a dark and scary setting. A fairy or knight might be found in a bright and colourful setting. Give a five point description of your character for this chosen setting.

Settings to choose from;

1.

2.

3.

4.

5.
