

## English Year 4- Friday 2<sup>nd</sup> March

### Descriptive writing

Today's homework, and over the weekend, is to do some descriptive writing using all of your senses. Step outside of your door, if you're brave enough, or look out of your window. Think about what you can hear, see, touch, taste and smell. Remember your emotive language! Can you describe how you are feeling without saying the word?

Remember to try to include:

- All of your basic punctuation.
- Relative clauses.
- Fronted adverbials, with commas.
- Topic sentences to start your paragraphs.
- Imagery- metaphors, similes, colour, personification, repetition, alliteration.

Remember to edit your work!

Have a lovely weekend Year 4!

Miss Nathan
