Dear Parents and Carers

CHANGE OF DATE FOR THE BEGINNING OF THE ACADEMIC YEAR

At the recent Local Management Board meeting, Governors approved a change of date for the School Year 2019-2020. This is to allow 2 days of staff training at the beginning of the term. It does not make the school year any longer but ensures best use of Continuing Professional Development days for staff.

The School year will begin on Wednesday 4th September 2019.

The information will be changed on the school website and the usual reminders about dates and times will appear on school newsletters.

I apologise for any inconvenience but hope that this letter gives enough notice for parents/carers to arrange/rearrange childcare where necessary.

Please complete the slip at the bottom of this letter so that school is sure that all families have received this information.

Thank you for your understanding and cooperation in this matter.
